3 ASX Listing

On 9 December 2020, the Company announced that it is proposing to re-domicile the Piedmont Group in the United States by way of a scheme of arrangement pursuant to Part 5.1 of the Corporations Act.

This Information Memorandum has been issued by Piedmont US in order to satisfy certain content and admission requirements prescribed in Chapter 1 of the ASX Listing Rules (**Listing Rules**) and to comply with various conditions imposed on Piedmont US by certain waivers of the Listing Rules granted by ASX to Piedmont US on an "in-principle" basis to facilitate Piedmont US's proposed listing on ASX. Refer to paragraph 11 for further information.

Piedmont US believes that this Information Memorandum contains all the information which would have been required under section 710 of the Corporations Act if the Information Memorandum were a prospectus in respect of an offering by Piedmont US of the same number of Piedmont US securities as will be issued pursuant to the Scheme and for which quotation on ASX will be sought.

An application was made to ASX on 3 March 2021 for Piedmont US to be admitted to the official list of ASX and for Piedmont US securities to be granted official quotation on the securities exchange operated by ASX.

The fact that ASX may admit Piedmont US to the official list of ASX is not to be taken in any way as an indication of the merits of Piedmont US.

Detailed below are examples of the Scheme Consideration that certain Scheme Participants will receive under the Scheme, based on the number of Scheme Shares held on the Record Date:
